Retn for the year 1905-06. showing particulars of (i) the loans advanced by the Govt of India to Native States, (ii) the loans raised by Native States under Govt guarantee & (iii) the loans advanced to Native States from managed Estates & Local Funds for famine & administrative purposes since 1899-1900.

No 2912.

Pol. Deptt.

Bombay castle, 19th April 07.

Retn for the year 1905-06 of loans advanced to Native States in the Kathiawar Palanpur, Surat, Bijapur & Sholapur Agencies submitted by the P. Agents in accordance with G.R. No. 5755, dt the 27th Aug 03, & No 4223, dt the 11th June 1906.

Extract paragraphs 1 & 2 (a)(b) of the letter from the Govt of India in the Foreign Deptt, No. 3215-I.A., dt. the 2nd Aug 1906:-

"2. I am to offer the following remarks with regard to the statements forwarded with your letter:-

(a) A large no. of the entries in col. 15 of the retn are not clear but the discrepancies are probably due to certain sums or interest having been remitted under the Delhi Darbar concession: if this is so, it wd have been well to explain it in the col of remarks.

(b) The arrangement under which recoveries effected from the Kathiawar estates were treated as having been made in liquidation of principal only, & which was accepted in this Deptt letter No. 1232-I.A, dt the 22nd Mar 1906

appears to have been followed by the P. Agents in Kathiawar, Rewa Kantha, Palanpur & Bijapur. I am to invite a reference to paragraph 2 & 6 of my letter No. 1821 I.A., of the 18th May 1905, & to request that "the order of repayment of liabilities therein prescribed may be strictly adhered to."

Pol. Deptt letter to the Acctt Gen, Bombay, No. 7197, of the 22nd Octr 06.-

"I am directed to forward herewith, for favour of early verification, the annual loan retn. of the Kathiawar, Palanpur, Surat & Bijapur Agencies for the year 1905-06.

"2. I am to point out that the figures in col. 9 of the Govt loan statement which represent, in a majority of cases, the arrears on a/c of interest prior to the year 1902-03, are shown in col. 15 as outstanding at the close of the year 1905-06. This is contrary to the orders ~~contained~~ of the Govt of India contained in Foreign Deptt Letters No. 1821-I.A, of the 18th May 1905, & 1232-I.A. of the 22nd March 06. - I am therefore to request that, unless there are special reasons to the contrary, the loan statement for the current year may be revised in such a manner that, excluding the amount of interest on a/c of the Delhi Darbar concession for the years 1903-04 to 1905-6, the recoveries effected during the current year from the States & Talukas concerned

shd. be first applied in writing off the arrears shown in col. 15 of the Statement & then towards the liquidation of the instalments of principal

"3. I am also to point out that, in view of the criticism of the Govt of India on the loan Retn for 1903-04 (vide G.R. no 6022, d/ The 1st Sept 06), it wd be convenient if these Statements could be revised so as to show in col. 11 of the Govt as well as Guaranteed loan statements the amts of interest which actually became due for the year 1905-06, & the same amts in col. 13 as remitted on a/c of Delhi Darbar concession".

Letter from the Actg Gen. Bombay, No. A.C. - 3969 d/ the 28th Feb 1907:-

"With refce to Govt memorandum no 8178, d/ 8th Decr 06, I have the honor to state that the orders of Govt regarding the precedence to be given to the different dues of Govt have been duly carried out so far as the Govt loans are concerned. The apparent inconsistency in crediting to 'Principal' while 'Interest' is shown as outstanding may be explained by the following examples:-

Loan no 1, Nawanagar State:-

	Principal Rs	Interest Rs as. ps.
Outstanding on 31st Mar. 1903	10,00,000	58,794-8-4
Remitted as a Darbar concession on 31st Mar. 1903	-	58,794-8-4
Repaid in 1903-1904	5,00,000	
Interest due in 1903-1904		39,143-13-2

	Principal	Interest
Balance on 31st Mar 1904	5,00,000.	39,143-13-2
Interest due in 1904-05		10,104-1-9
Repaid in 1904-1905	3,00,000	
Remitted as a Darbar concession in 1904-05.		
Balance on 31st Mar 1905	2,00,000	49,247-14-11.

According to the orders of the Govt of India the arrears on 31st Mar 1903 were to be remitted as a part of the remission of interest due in the three years 1903-04, 1904-05 & 1905-6. The sum of Rs 58,794-8-4 outstanding on 31st Mar 03 was therefore remitted. The interest due in 1903-04, 1904-05 was also to be remitted so long as it did not exceed (together with the interest already remitted) the amount due for remission in the three years 1903-06. This remission was not actually given effect to in accts of 1904-05 as a sum in excess of it had already been remitted out of the balance on 31st Mar 03. The State could not however, be called upon to pay it because it was within the amt due for remission in the three years. When the accts were finally made up on 31st Mar 06 the amt stood as follows:-

Due for remission	Rs	a.	p.
1903-04	39143	13	2
1904-05	10104	1	9
1905-06	8000		
	57247	14	11
Remitted on 31st Mar 03.	58794	8	4
Excess remitted recovered	1,546	9	5

It will thus be observed that until the interest fell due for actual recovery it cd not be recovered & any repayments made in the meantime had to be credited to 'Principal'.

"The rest of the accts have been worked out on this basis.

"Now that the concession period is over & the remission due to each State is actually ascertained it will be necessary to recalculate the acct of each State on the understanding that any interest due in excess of the amt to be remitted is a prior charge on the repayments made & that the balance only is to be taken to principal. All the accts will be reexamined in this light & the necessary re-adjustments will be made in the accts of 1906-07".

Letter from the Actt Gen, Bombay, No AC-4097, of 4th Mar 07:-

"With refce to Govt, PD, letter no 7197 of the 22nd Oct 06, I have the honor to return herewith the Statements of Govt & other loans raised by Native States in the Mahikantha, Palanpur, Surat & Bijapur Agencies for the year 1905-06.

"2. The Statements of Govt loans have been checked & the figures amended wherever

necessary. Detailed accts for the year 1905-6 of the 'Cattle & Seed' & 'Petty Proprietors' loans under the Palanpur Agency have not yet been recd in my office. The figures shown by the P. Agent have, therefore, been retained in this case. The famine loan acct of the Palanpur State has been revised in view of the remission of expenditure on Madmatiya tank scheme, recently sanctioned by the Govt of India, & the revised figures as communicated to the P. Agent, have been entered in the Statement.

"3. Complete infn in connection with the Guaranteed & Local Fund loans is not available in my office. The Statements have, however, been checked so far as possible.

"4. The points refd to in paragraph 2 of the letter under refce have been separately explained in my report No A.C.-3969, of the 20th Feb. 7.

"5. The statements of Govt loans for the year 1903-06 are being revised in the light of the remarks made by the Govt of India & will be submitted shortly. Statements of the Guaranteed & Local Fund loans will have to be revised by the local officers as sufficient details are not available

on the record of my office.

Resolution – A copy of the Return for 1905-6 shd be forwarded to the Govt of India.

2. Copies of the Return shd also be forwarded to the Commrs, N.D, C.D. & S.D.; the P. Agents, Mahi Kantha, Palanpur; the Collrs & P. Agents, Surat, Sholapur & Rajpipla; the Acctt Genl, Bombay; & the Financial Deptt.

3. The political offices concerned are requested to revise, in consultation with the Acctt Genl, the Guaranteed & Local Fund Loan accts for the years 1903-04 to 1905-6 in the manner indicated by that office in his letter No. AC-3969, dt the 2nd Feb 1907, & in the light of the remarks of the Govt of India on the loan retn for the year 1903-04; and to submit the revised statements to Govt at a very early date through the Acctt Genl.

4. The retn for the year 1906-1907 shd be submitted punctually by the 1st of Aug 1907, and shd contain the infn called for in G.C. No. 5513, dt the 7th Septr 1904, as regards short payments & arrears.

Revised instructions of the Government of India regulating the grant to officers lent for employment in Native States of any privileges and concessions in addition to substantive pay.

No. 4622-I.B.

GOVERNMENT OF INDIA.

FOREIGN DEPARTMENT.

RESOLUTION.

Calcutta, the 5th December 1907.

READ—

The Resolution of the Government of India in the Foreign Department, No. 1745-G., dated the 18th August 1905, and the rules contained therein on the subject of the acceptance of easements by officers of Government whose services are lent to Native States.

Despatch from His Majesty's Secretary of State for India, No. 68-Political, dated the 14th June 1907.

Resolution.—In supersession of the rules promulgated with Foreign Department Resolution No. 1745-G., dated the 18th August 1905, the Government of India are pleased to direct that, in the exercise of the powers conferred by Article 753, Civil Service Regulations, in the matter of the transfers of officers of Government, under foreign service conditions, to Native States, the following instructions shall be observed regarding the grant to them of any privileges and concessions in addition to substantive pay.

I.—When the loan of an officer's services for employment under a Native State is sanctioned, the salary which it is proposed that the officer shall receive shall be precisely specified: and, if it is desired that he shall receive any remuneration or emolument in addition to his salary proper, the exact nature and value thereof shall be detailed in the orders approving his transfer to foreign service. No officer will be permitted to receive any remuneration or emolument, whether in cash or otherwise, other than as may be expressly enumerated in the order of sanction. If the orders are silent as to any particular form of remuneration, the intention is that it shall not be received.

II.—The concessions which may be sanctioned by a Local Government, in those cases in which it has the power under the rules in the Civil Service Regulations of sanctioning the transfer of an officer to service under a Native State, are as follows:—

(*i*) Contributions towards leave and pension under the ordinary rules of the Civil Service Regulations.

(*ii*) Exchange compensation allowance in the case of officers who were in receipt of it prior to the loan of their services to the Native State and to whom the State desires to grant it.

(*iii*) Travelling allowance under the ordinary rules of the Civil Service Regulations or under the local rules of the Darbar if these are not more favourable. This does not extend to the grant of a fixed monthly travelling allowance, which may not be granted in any case without the previous sanction of the Government of India, but conveyance and horse allowances may be granted in special cases where the circumstances so require.

(*iv*) Tents, boats, and transport on tour, under circumstances in which they would ordinarily be sanctioned in the case of an officer of corresponding position in British India, and on a similar scale, and subject to the rules of the Civil Service Regulations as to travelling allowance, &c. As an exception to this rule, a more extensive scale may be sanctioned for Indian officers only, provided that a reasonably equivalent reduction of the travelling allowance admissible under the ordinary rules is at the same time directed.

(*v*) Free quarters to both European and Indian officers—

(*a*) when an officer of corresponding position in British India would be entitled to such a concession;

(*b*) when an officer is employed as a tutor, private secretary, or resident medical attendant, provided that such addition to his total emoluments is duly considered in fixing an appropriate rate of pay to be drawn by him;

(*c*) otherwise, and provided always that the concession is considered in determining an appropriate rate of pay—

(1) to a European officer, only if no other houses but such as are the property of the Darbar are available and the State is unwilling to accept rent;

(2) to an Indian officer, if having regard to the nature of his appointment such a concession is in accordance with local custom and the wishes of the State.

When quarters are occupied which are the property of the Native State, whether free or on the payment of rent, reasonable repairs to them may be effected at the cost of the State, but all material additions or alterations should receive the special sanction of the Local Government in each case.

(*vi*) Free furniture in quarters which are the property of the State to Indian officers, and in the case of European officers, only when employed as a tutor, private secretary or medical officer resident with a Chief, and only if in accordance with local custom and the wishes of the Darbar. The value of the concessions shall be considered in determining an appropriate rate of pay to be permitted to the officer concerned.

(*vii*) The use of Darbar carriages and animals by an Indian officer, and in the case of European officers, only when employed as a tutor, private secretary or medical officer resident with a Chief, if the concession is in accordance with local custom and the wishes of the Darbar and subject to consideration in determining the rate of pay to be allowed.

III.—The following concessions may not be sanctioned by a Local Government. If it is desired to recommend the grant of any of them, the orders of the Government of India should be taken:—

(*i*) Local and personal allowances.

(*ii*) Free quarters to European and Indian Officers under circumstances other than those provided for in paragraph II (*v*) above.

(*iii*) The use of free furniture by European Officers other than tutors private secretaries or medical officers resident with a Chief.

(*iv*) The use of Darbar carriages and animals by European Officers other than tutors, private secretaries or medical officers resident with a Chief, at head-quarters.

(*v*) Fixed monthly travelling allowances.

(*vi*) Any other concession not within the powers of sanction of the Local Government as stated in paragraph II above.

IV.—The following concessions are explicitly prohibited and will not be allowed in any case:—

Free provisions in any circumstances, and free lighting, fuel, fodder and supplies of any description at head-quarters.

V.—A copy of this Resolution should be forwarded by the Audit Officer concerned to—

(*i*) every officer of Government now in foreign service under any Native State;

(*ii*) every such officer who may now be on leave, immediately on his return from leave;

(*iii*) every officer whose services may hereafter be lent for employment in a Native State; in such cases the rules should be attached to the orders which it is the duty of the Audit Officer to issue regarding the payment of contributions for leave and pension;

(*iv*) every such officer now or hereafter lent for employment in a Native State whose engagement terminates and is renewed, on the renewal of his engagement.

Secretary to the Government of India.

Government Circular.

Cases have recently come under notice in which Government Servants employed in Political Agencies have acquired immoveable property in British India for other than residential purposes without having obtained the previous sanction of Government to their doing so, as required by clause 3, Rule 9 of the Government Servants' Conduct rules, 1904. The excuse urged in each case was ignorance of the standing orders of Government on the subject.

2. His Excellency the Governor in Council accordingly desires that Political Officers will cause the —

attention of all Government servants in their respective political charges to be specially invited to the Standing Orders in question and will see that each Government Servant is in possession of a copy of the Government Servants Conduct Rules, 1904.

No. 2858.

FINANCIAL DEPARTMENT.

Bombay Castle, 7th July 1908.

Letter from the Accountant General, No. A.C.—2563, dated 2nd October 1906, to the Government of India, Finance Department :—

"In Foreign Department Resolution No. 1745 G. (Confidential), dated 18th August 1905, certain rules were promulgated for regulating the remuneration of officers in foreign service. The rules were expressly laid down for officers lent for employment by Native States, but a question has arisen as to whether they should be applied to cases of officers lent to Courts of Wards, Encumbered and other Estates under Government management.

"2. As the conditions of service in both cases are similar, it would appear that the rules should be equally applicable to all officers in foreign service of the first and second kinds. The Local Government, however, consider (*vide* their Resolution No. 7709, dated 13th August 1906, Revenue Department, copy enclosed) that the orders are clearly limited to officers employed in Native States only.

"3. I have therefore the honour to request that I may be favoured with the orders of the Government of India on the point."

Letter from the Government of Bombay to the Government of India, No. 4185, dated 5th November 1906 :—

"I am directed to submit, for the consideration and orders of the Government of India, the accompanying letter (with enclosure) from the Accountant General, Bombay, No. A.C.—2563, dated 2nd October 1906, regarding the question whether the rules promulgated in the Resolution of the Government of India in the Foreign Department, No. 1745-G. (Confidential), dated 18th August 1905, are limited to officers employed in Native States only or whether they are equally applicable to all officers in foreign service of the first and second kinds. The terms of paragraph 1 of the letter from the Government of India No. 1746-G., dated 18th August 1905 (Foreign Department), and the preamble of the rules referred to above clearly limit the orders to officers whose services have been lent to Native States."

Letter from the Government of India, Foreign Department, No. 2301-I.A., dated 4th June 1908 :—

"I am directed to refer to Mr. Barrow's letter No. 4185, dated the 5th November 1906*, enquiring whether the rules promulgated in the Resolution of the Government of India in the Foreign Department, No 1745-G., dated the 18th August 1905, are limited to officers employed in Native States only or whether they are applicable to all officers in foreign service of the first and second kinds.

* To the address of the Government of India in the Finance Department.

"2. I am to say that the rules contained in the Resolution† of the Government of India in the Foreign Department, No. 4622-I.B., dated the 5th December 1907, which have superseded those promulgated in the Resolution of the 18th August 1905 apply only to officers transferred, under foreign service conditions, to the Native States."

† Copy forwarded to the Bombay Government, Political Department, under endorsement No. 4623-I.B. of the same date.

RESOLUTION.—A copy of the letter from the Government of India should be forwarded to the Accountant General, with reference to his letter No. A.C.—2563, dated 2nd October 1906.

2. Copies of the letter should also be forwarded to the other officers concerned, for information, with reference to Government Resolutions, Revenue Department, No. 7709, dated 13th August 1906, and Political Department, No. 185, dated 10th January 1908.

Sir,

I have the honor to report that the Kanarese school at Savanur stands in need of a 3rd year trained assistant on Rs. 20. The number of children attending it has risen to 270 and in point of efficiency it can now be counted amoung the most prominent schools of the District. Excepting the Head master and the 1st assistant (both 2nd year trained men) the existing staff of teachers consists of untrained men . It is quite essential that a large school like the one at Savanur should have a 3rd year trained teacher on its staff.

2. The Divan Saheb of Savanur , having obtained sanction for a place of Rs. 20, has asked me to send a competent 3rd year teacher of more than 10 years standing and to move the Political Authorities to provide for the pension claims of the teacher to be transferred to the State. His vernacular letters are sent herewith for perusal and return.

3. The pensionable teachers in the service of the Local Board are unwilling to serve in the State unless the State is prepared to contribute, with the previous sanction of Government, towards their pension fund. The services of a 3rd year trained teacher are quite necessary at Savanur. I beg that you will kindly ascertain from the Political Agent whether the State is willing to provide for the pension contribution of the teacher and to obtain the necessary sanction of the Government for the transference of the teacher from the Local Board to the State service.

Revised orders of the Government of India regarding the acceptance by Political Officers and other British officials of gratuitous assistance from Native States.

No. 3686-I.B., dated the 15th September 1908.

From—The Secretary to the Government of India, Foreign Department;

To—The Secretary to Government, Political Department, Bombay.

I am directed to refer to the correspondence ending with the letter from the Government of India in the Foreign Department, No. 4986-I.B, dated the 31st December 1907, on the subject of the acceptance by Political Officers of gratuitous assistance from Native States.

2. The Government of India have had under their consideration those matters dealt with in their Foreign Department Resolution No. 1600-G., dated the 31st July 1905, which were not referred to in the letter mentioned above, *viz.*—

(*a*) The provision of houses and furniture for Political Officers (paragraphs 8 and 9 of the Resolution).

(*b*) The use of rest-houses or guest-houses maintained by Darbars (paragraph 10 of the Resolution).

(*c*) The provision of tents and camp equipage (paragraph 12 of the Resolution).

(*d*) The acceptance by officers in political employ of free supplies of provisions, fuel, fodder, lighting, etc., at head-quarters (paragraph 13 of the Resolution).

3. As regards the points (*b*), (*c*) and (*d*), I am to say that the orders of 1905 are re-affirmed.

4. As regards (*a*), paragraphs 8 and 9 of the Resolution of the 31st July 1905 are cancelled, and I am to convey the following revised instructions in lieu thereof:—

The houses occupied by Political Officers may be divided into three classes—

(I) Those owned by Darbars.

(II) Those owned by Government.

(III) Those owned by Local Funds.

(I) *Houses owned by Darbars.*—Where a Darbar is willing to dispose of such property, it should ordinarily be purchased by Government. If, however, a State is under obligations, similar to those existing in the case of Kolhápur, to defray the expenses of an Agency, or where a Darbar is unwilling to change the previously existing arrangements or to divest itself of its property, the following procedure should be followed in regard to:—

(*a*) the house;

(*b*) the furniture;

(*c*) the assistance to be accepted from a Darbar in regard to servants for the care of the house and the maintenance of gardens.

(*a*) The house may remain the property of the Darbar, and the Political Officer may be permitted, with the special sanction of the Government of India, to occupy it on the conditions previously existing, but no expenditure for alterations or additions to it should be put upon the Darbar without the prior written consent of the Bombay Government.

(*b*) Where a Residency or Agency house of this kind has hitherto been partially or wholly furnished either by the Darbar or by Government, the house should in future, where possible, be furnished throughout* by Government, the Political Officer being required to pay

* Except as regards linen, crockery, cutlery, cooking utensils, lamps.

rent for the same calculated at 8 per cent. of the value of the furniture required for his personal use only, subject to a maximum of 5 per cent. of his salary and local allowance.

If a Darbar is unwilling to sell or remove the furniture in its house, this may be allowed to remain, but no renewals or renovations should be made at the cost of the Darbar without the special sanction of the Government of India.

(*c*) In regard to the establishment required for the maintenance of the grounds and care of the house, where any such has hitherto been maintained by a Darbar, the extent to which a Political Officer may be allowed to depend upon a Darbar should now be precisely prescribed by the Local Government and no further assistance should be accepted without the prior consent of that Government.

(II) *Houses owned by Government*:—In the case of houses which are already the property of Government or which may now be purchased or leased from Darbars, the Government of India have decided (*a*) that where any furniture has already been provided either by Government or by a Darbar, the house should in future be furnished throughout by Government, except as regards the articles mentioned above, and (*b*) that where the grounds are too extensive for a Political Officer to keep up at his own expense, a grant shall be given to him by Government to enable him to do this.

In return for these facilities the Political Officer will be required to pay rent under Article 919 of the Public Works Department Code subject to a maximum of 10 per cent. of his salary and local allowance.

Where furniture is not supplied, or where no assistance is given by Government towards the upkeep of the grounds, the rent payable should be calculated as above, subject to a maximum of 5 per cent. of the officer's salary and local allowance.

(III) *Houses owned by Local Funds*:—In regard to houses owned by Local Funds, subject to the proviso that the conditions under which Political Officers may occupy such houses are not more favourable than those detailed in paragraph 4 (II) of this letter, the Government of India leave it to the discretion of the Bombay Government to issue such further orders, if any, as they may think fit: it being understood that no fund of a local or municipal character should be utilised for a Political Officer's house, private garden or premises without the express sanction of the Bombay Government.

5. I am to add that, under instructions received from His Majesty's Secretary of State for India, no Political Officer should in future be allowed to occupy free quarters at the expense of a Darbar in British territory; where such accommodation is necessary, it should be provided by Government and not by the Native State. In hill stations such as Mahábleshvar the provision of a house, whether on loan, lease or other terms, by a Native State for a Political Officer or his family should not be allowed without the special sanction of the Government of India.

6. The Governor in Council will recognise that by the instructions contained in this and Sir L. Sanction Leave

From,

Rajeswo Vithal Mangalwedhekar Esqr
B.A.

To,

The Collector & Political Agent
Dharwar.

Sir,

I beg respectfully to request that I may kindly be granted privilege leave for 2 months from the 10th March 1909. I have taken no leave of any kind except casual leave during the last 6 years, that I have been at Savanur. I am thus entitled to 3 months privilege leave.

2) Owing to the grievous assault committed on me at the unfortunate dacoity which, ~~fortunately for me~~, occurred in my house a short time ago, I am in bad health. I tried to get on with my current work so far to now. I feel very weak & cannot efficiently get on any longer with my duties. There was a dislocation of the wrist joint & a partial fracture

of the bone; of my left hand in addition to other injuries on the head & back. I cannot use my left hand. It is absolutely necessary that I should have some rest & change.

3) ~~I have already been reported that~~ Along with treasury keys, official seals &c my service book, too, has been lost in the course of the dacoity. I enclose a certificate prepared from official records & signed by the Head Karkun & the Diwan, to show that I am entitled to 3 months' privilege leave.

4) I waited ~~[illegible]~~ till now, thinking that my health would improve & that I would be able to work with my left hand but no avail. I would, therefore, respectfully request that the leave applied for may be sanctioned at once and that I may be allowed to proceed on leave handing over charge to my Head Karkun without waiting

for my relieve.

I have the honour to be,
Sir,
Your most obedient servant,

O.C. Dewan of Savanur

Through the Assistant Political Agent, Savanur State.

From the vernacular correspondence marked A (in red pencil) it appears that Mr. Rajerao was then Police Accountant. The Dist. Dewan

The Honourable Mr. G. Gibb. I.C.S.
Commissioner S.&

Respected Sir,

I beg humbly and respectfully the following facts of my case for your kind consideration.

2) My services were transferred to the Savanur State as Diwan, under G. R. No. 4413 of 29-6-1903, Political Department. My pay was fixed at Rs 150 rising by triennial increments of Rs 25. I am receiving the maximum pay, namely Rs 200. I have been all along paying leave and pension contributions at the rate of one sixth of my pay, so that I may be entitled to get a full pension in my old age.

3) The state will cease to be under

British Administration, when, in the near future, the ~~young~~ Nawab is installed on the Gadi. My service which is now of the second kind will be service of the first kind, if I should continue in my present post, and, instead of continuing to pay pension contribution on my present pay, I shall have to pay pension contribution on my ~~total~~ pay, Rs 125 as Head Clerk to the Collector of Dharwar. This will entail a heavy loss in my pension, when I should retire under articles 754 and 765 of the Civil Service Regulations, Edition 1903.

4) I have not put in sufficient service, as to enable me to retire on full pension. I shall have neither the age nor the service to entitle me to retire on full pension about the time that the Nawab will be installed on the Gadi. I shall complete a period of only 25 years service in January 1912.

5) My official position after the Nawab's installation, would be most precarious.

If I continue serving, present pay, I shall have to pay pension contribution on my initial pay, Rs 125, and I shall lose a lot of pension and if I do not, I shall have to revert to my post as Head clerk to the Collector of Dharwar, which would, again, mean great hardship, after serving the state for eight years and paying pension contribution all along, at the rate of one sixth of my pay.

6) I have been serving as Diwan for the last eight years. The way in which I have discharged my duties in my various capacities as a Revenue Officer, as Judge First class, District Magistrate, Superintendent of Police, etc etc, will be apparent from the accompanying extracts of the Administration report, the remarks made by the distinguished European Officers under whom I had the honour of serving.

7) You are already aware as Political Agent, Dharwar, and Commissioner S.D., of the improvements which have taken

state in Sawantwadi is responsible, the post of the Diwan is in consequence of the development which the Administration has under a long British Political Agency, undergone in its various branches. The post of the Diwan of Sawantwadi is much more responsible than that of the multifarious duties official and semi-official, Mamaldar of a Taluka. There is no department of the State with which the Diwan is not connected and which he is not expected to supervise.

8) I belong to a family which is well-known in the past of the Country. My great-grandfather was a Diwan, my grandfather a Mamaldar, my father a Deputy Collector and brother, Mamaldars. My family has rendered faithful service to the British Government during the past sixty years.

The accompanying testimonials will bear testimony to the social position of my family and myself and to the fitness of the work I have done. It was also be observed that I was once recommended for the

Statutory Civil Service

9) In January 1909 a dacoity was committed in my house involving heavy loss of property. The members of my family and myself were grievously assaulted. I had a narrow escape. I have suffered in mind, body and property when serving the State as Diwan. Whether the unfortunate dacoity was instigated by the local people in consequence of my continued attempt to put down crime which was rife in Savanur, or whether it was perpetrated by robbers, is yet a mystery. At any rate I had to suffer.

10) Under Rule 14 of the Rules regulating the admission and promotion in the Revenue Department, published in Government Notification No. 6970 dated 4th August 1910, special appointment to a Amalat, can be made by you, for special reasons or to meet special emergencies. I humbly venture to hope that the above statement of my case will disclose

special reasons and special emergences for appointing me to a Mamalat. My appointment to a Mamalat (being seconded) will not only relieve me, as an old servant of Government, from precarious official position when the Nawab is in power, but it will enable me to pay pension contribution to which, in the different grades of pay, as Mamaldar, I may rise, in due course, by the time I shall be qualified to retire. This arrangement will enable me to continue to serve as Diwan and at the same time will involve no loss of pension.

For this act of kindness I shall feel ever grateful

Respected Sir,

Your most obedient servant

Returned with Compliments.

The allotment for 1911-12 is Rs. 550.
The cost of surgical stores for that year is Rupees 586. 15. 3 only, which exceeds the allotment for 1911-12 from Rs. 550 - - -
This excess amount of Rs 36 - 15 - 3 is probably due to the cost of surgical instruments purchased agreeable to remarks of the Civil Surgeon Dharwar at the time of his annual inspection.
The remaining items as detailed below are probably costs of medicines for 1911 & 12 ought to have been recovered in 1912-13 as usual but the Accountant General Bombay has sent the recovery orders for the amounts in the current financial year so the amount exceeds the allotment. If the Diwan thinks it proper and if there is no provision for payment of the amount in question the matter may be represented to the Accountant General Bombay for favour of recovering the amount of the accompanying bill in the next financial year.

Sir,

I respectfully beg to state that my services from the British Police have been lent to this as Sub-Inspector of Police on Rs 60/- King's viceroy Commission S. D's order No Poll 138 dated the 22nd May 1909. According I have been serving in this State since 8th June 1909. The order of the Commission S.D. referred to above purports that my pay should be raised to Rs 80/- by biennial increment of Rs 10. Though it is more than 2 years since I have been serving in this State, I regret to say that I did not yet get the first biennial increment;

I therefore humbly solicit the favour of your kind orders for the first biennial increment on my pay Rs 60 from 2nd June 1911 (1909) on which date I was relieved of my duties at Badami to join the Sub-Inspector's place at Savanur.

I further beg to state that I have been confirmed in the post of Sub-Inspector of Police of this State in the year 1910 by the Political Agent Dharwar (Kindly vide his No 8916 dated 6th Decr 1910). To,

Collector and Political Agent,

Dharwar.

Respected Sir,

With reference to your letter No 3062 of 30th April 1912, calling on me

(Enclosures 17)

(a) to submit a full statement of my case with a view to a formal recommendation being made on my behalf for the increase of my pay as Divan from Rs 200 to Rs 250 as provided in the Budgets for 1912-1913 and

(b) to explain clearly the effect of my transfer from Foreign service of the second kind to Foreign service of the first kind on the installation of the Nawab, so far as my position and prospects are concerned,

I beg to submit as follows:-

(2) Under Government Resolution No 4413 of 29th June 1903, Political Department, my services were transferred to the Savanur State as Divan, the pay being fixed at Rs 150 rising to Rs 200 by triennial increment of Rs 25. I have administered the State as Divan for nearly nine years. I am now in receipt of the maximum pay namely Rs 200. As per orders of Government contained in the above Resolution, I have been, all along, paying leave and pension contribution at the rate of 1/6th of my pay, so as to entitle me to a full pension after retirement.

(3) My service which is now service of the second

kind will be service of the first kind when, in the course of the next three or four months, the Nawab will be installed on his Gadi and the State will - cease to be under British Administration. Instead of continuing to pay leave and pension contribution on my present pay Rs 200, I shall have to pay contribution on my assumed pay, Rs150, as a Mamlatdar of the Fifth Grade. This will entail a heavy loss in my pension when I should retire vide Articles 754 and 765 of the Civil Service Regulations, Fifth Edition.

(4) I have neither put in a period of service nor have I reached an age at which I could retire on full pension about the time the Nawab will be installed. I have completed a period of only 25 years net service in January last.

(5) It will thus be seen that after the Nawab's installation my official position would be most precarious. If I continue to serve the State, I shall have to pay leave and pension contribution on Rs 150 and shall thus lose a lot of pension. If I do not continue to serve the State, I shall have to revert to a Mamlat on Rs 150 which would again mean substantial loss both in pay and pension, after serving the State for nine years and after paying leave and pension contribution at the rate of one-sixth of my pay on Rs 200.

(6) It may be noted here that the pay of the post of Divan would have been fixed at a higher scale - than Rs 150-200, if no leave and pension contribution were required to be paid.

(7) In consequence of the development which the system of Administration has, in recent years, - - undergone in its various branches, the responsibilities of the post of Divan have increased. The post of the Divan with its multifarious duties, official and

demiofficial, is much more responsible and delicate than that of the Mamlatdar of a Taluka.

A note is enclosed showing the duties of the Divan performed by him at present and in previous years. I beg respectfully to solicit special attention to it.

(8) I beg to invite reference to correspondence ending with your letter No 4093 of 31st May 1911 forwarding Commissioner S.D's letter No Poll-122 of 24th May 1911, and Government letter No 3329 dated 16th May 1911, Political Department. From this it will be seen that in recommending my hard case to Government, it was considered inequitable that my prospects of earning a full pension should in any way suffer. The Honourable Mr. Gibb, late Commissioner S.D., recommended to Government that an assurance be given to me that pension contribution will be levied on the pay I now draw viz Rs 200, after the Nawab's installation and that I was quite fit for a Mamlat. The way out of the difficulty pointed out by Government in reply to the Commissioner's recommendations was that I may be appointed to a - - Mamlat (Rs 200) instead of an assurance being given - that pension contribution will be levied on Rs 200.

(9) The way in which I have discharged my duties during the last nine years in my various capacities as a Revenue Officer, Subjudge First Class, District Magistrate, Superintendent of Police, Sperintendent of Jails, and Devasthans, District Registrar, President of schools and Dispensary Committees, Vice-president of the Savanur Municipality etc, will be apparent from the enclosed extracts of remarks made in the Administration reports, by the distinguished European Officers under whom I had the honour of - serving.

Since my appointment as Divan, numerous ~~improve-ment~~ improvements

have taken place in the State, in revenue, irrigational, educational, sanitary, Police, Public Works, Municipal and other matters, as will be evidenced from the annual Administration reports.

I have not limited myself to the performance of mere routine work but it has been my constant and - earnest endeavour to make or suggest improvements in the Administration and to satisfy the wants of the - people in general and the Rayats in particular, as far as possible. The system of Administration has now - been practically brought in line with that obtaining in the British territory.

When I took charge of the State in 1902-1903 the annual land revenue was Rs 61866-9-2 and the average of five years income of the state was Rs 99267-12-3. The land revenue and the average of five years income of the state now in 1910-1911 is Rs 69299-2-9 and -=- Rs 128128-5-5 respectively.

(10) I belong to a family which is held in high esteem in this part of the country and which has distinguished itself by rendering loyal service to the British Government during nearly 3/4 ths of a century. My great-grand father was a Divan, my grand-father was a Mamlatdar, my father was a Deputy Collector, and my uncle and - - brother were Mamlatdars.

The accompanying certificates will bear testimony to the social position of my family and myself and to the nature of the work I have done through-out my - service. It will also be observed that I was once - recommended to Government for an appointment in the - Statutory Civil Service.

(11) In January 1909 a dacoity was committed in my house involving heavy loss of property. The females of my family and myself were grievously assaulted. I narrowly escaped being killed. I have suffered in mind, body and money, when serving the state as Divan.

Whether the unfortunate dacoity was perpetrated by robbers or whether it was instigated by the local - people inconsequence of my continued attempt to put down crime which was rife in Savanur, is yet a mystery. At all events, I had to suffer.

(12) I humbly venture to hope that the above detailed statement of my case will disclose special reasons and special emergencies for keeping my lien on a Hamlat of Rs 200 (being seconded) and for recommending for an increase of pay as Divan of Savanur.

For this act of kindness I shall ever pray.

I beg to remain,

Respected Sir,

Your most obedient servant,

Abdul Rahman

Divan of Savanur

Through the A. P. Agent

Ser. Ind

Note on the duties of the Divan performed by him at present and in previous years.

The duties of the Divan are very responsible. He is the District Magistrate, Subordinate Judge 1st Class, District Registrar, Superintendent of Jails and Devasthans and in certain matters Superintendent of Police. He is an Assistant Collector in Revenue matters and is the president of schools and Dispensary Committees. He is the Vice President of the Savanur Municipality and exercises supervision over the Public Works Department. He is also the Divisional Forest Officer in Forest matters.

(2) The duties of the Divan are not only multifarious but more responsible and delicate than those of a British Mamlatdar. He exercises powers under the Mamlatdars Courts Act and does all the work ordinarily done by a Mamlatdar in addition to miscellaneous duties.

(3) The pay of the Divan was fixed at Rs 250/- per mensem, as early as 1868-69 when the State came under British Administration and that rate was continued up till 1884 when the Nawab was invested with powers. The administration has since then vastly developed and become complex. Most of the laws and regulations in force in British India in Revenue, Criminal, Civil, Police, Treasury and other matters have been introduced in the State.

The present pay of the Divan is incommensurate with the responsibilities devolving on that Officer in his different capacities.

(4) The Divan-ship is not generally recognized as a stepping stone for promotion to higher appointments in the British service or in other Native States.

(5) The duties performed by the Divan are often of a quasi public or demi official character. Some of duties are delicate and are likely to render

unpopular.

(6) The Divan has, in recent years, been called upon to perform duties which he during the period when his pay was fixed at Rs 250/- per mensem did not perform.

The following are the chief duties recently imposed on the Divan.

(a) Jamabandi,

(b) Heir-ship enquries,

(c) Watan appointments,

(d) Inspection of the Public Works Department Office and the examination and encashment of bills of that Department,

(e) Inspection of crops and boundary marks,

(f) There is no Department in the state with which the Divan is not connected and over which he does not exercise general supervision,

(7) The bestowal of additional powers on the Divan has resulted in the reduction of references to the Offices of the Assistant Political and Political Agents but it has increased his work. The number of referencies:-

1902-1903		1910-1911		
English	Vernacular	English	Vernacular	English and Vernacular are as noted in the margin in 1902-1903 and 1910-11.
1006	4309	2192	4916	

(8) In consequence of the increase of work in the Divan's Office, Government have lately sanctioned the entertainment of two additional karkuns. Increase of work means increase of responsibilities of the Divan.

(9) The District Superintendent of Police Dharwar is of opinion that Savanur is the hot-bed of crime.

He has proposed recently that the Divan and the District Magistrate should perform certain duties in connection with the Police Department and Government have approved of the proposals.

(10) The Divan also does the execution of Civil Court decrees in the case of Agriculturists as in British Talukas.

(11) Savanur is a troublesome charge and requires tact, firmness and honesty.

(12) The imposition of scale judi on the village officers Watan property (Patils and Kulkarnies) and the payment of potgi to them have lately been sanctioned by Government. This adds to the duties of the Divan.

(13) It is but equitable that the pay of the Divan should be proportionate to his responsibilities on grounds of principle and policy.

Reply to Dharwar Collector and Political Agent's No. 4189 dated 7th June 1912..

No. V.O. 131 of 1912.

Office of the Commissioner, S. D.

Belgaum, 17th June 1912.

The Commissioner regrets that he can not endorse the recommendation of the Political Agent Dharwar.

Had Mr. Mangalvedhekar remained in Government service he could not have risen to a post carrying higher pay than Rs. 125/- as in accordance with the rules in force until very recently he had to be treated as unqualified for a Mamlat.

If therefore he had been reverted at any time he would have had to be content with Rs. 125/- per mensem for the rest of his service.

The fact that he has secured an outside appointment and has risen from Rs. 150 to Rs. 200 in it and that the State (not Mr. Mangalvedhekar) has paid contribution on this pay can be only considered as great good fortune.

As regards the future the orders of the Government of India are clear and Mr. Mangalvedhekar can not be allowed (when the Nawab assumes ~~the~~ his administration) to draw more than the pay of the grade higher than the one he occupies permanently, in British service. That is he may, if the Nawab is immediately placed upon the Gadi, draw Rs. 175/- or the pay of a IV grade Mamlatdar. If as is probable Mr. Mangalvedhekar has risen to the rank of IV grade Mamlatdar by the time the Nawab is installed he will then be able to draw his present pay of Rs. 200/- which the Commissioner thinks is quite sufficient.

In effect this application is one to induce the Commissioner to give Mr. Mangalvedhekar special promotion among the Mamlatdars but as this can not be done without

injustice to those incumbents who have for many years had prior claims the Commissioner is unable to agree to it.

Sd. W. D. Sheppard

Commissioner, Southern Division.

Dear Sir

The Huzur Deputy Collector, Bijapur, informs me that he had sent an extract from my Service book to the Political Agent Dharwar, for verification of my Service as Tutor to the Nawab of Savanur from 1st September 1880 to 31st August 1884. That officer has stated in his reply that I was a private Tutor to the Nawab and that there was no record of my Service in the State during the said period. I would therefore invite your attention to the records mentioned below and request that you will

kindly cause a careful search to be made for them in your records. They are as follows:

The Nawab was sent to the Rajkumar College at Kolhapur in 1881. During that period I was in charge of his private expenditure and my salary of Rs 50 per mensem was charged in the pay abstract of his private servants. Sums were advanced to me for his private expenses and I made disbursements & submitted the vouchers with a cash account periodically direct to the Pol Agent, Kathiawar. This account was examined in the Political Agents office and finally sent for record to your office. If you refer to some of these accounts of the Nawab's

(2) Please cause a search to be made for the Pol Agent's order directing the first payment of my Pension contribution in June 1883 the No. & date of which you will find quoted in the Daybook in support of the debit in 188 This order will convince you that I was not a private servant of the Nawab but a servant of the British Govt whose services were lent to the State.

Sanction to the transfer made in 1908 of the service of -------- teacher Local Board school at -- Airani, Taluka Ranebennur, District Dharwar, to the Savanur State.

No. 4162

Educational Department,
Bombay Castle, 30th December 1914.

Letter from the Director of Public Instruction No. 10404 dated 3rd November 1914 :-

"I have the honour to state that G.R,Airani , a 3rd year trained teacher in the Local Board School at Airani, Taluka Ranebennur, District Dharwar was, after having -- completed service of 10 years, lent to the Savanur State in the year 1908 with the sanction of the Commissioner, Soutern Division. He was taken back to the District Local Board in the year 1911 with the consent of the State Autho -rities. At the time of checking the establishment return of Local Board teachers for the year 1912 the Accountant General enquired whether the sanction of the Local Govern- -ment had been obtained for the transfer of the teacher in question to the Savanur State in the year 1908 and advised the Deputy Educational Inspector, Dharwar to obtain the same if he had not already done so in order to enable the teacher to count his service prior to 1908 towards pension. In these circumstances I have the honour to request that Government will be pleased to accord their sanction to the transfer of the teacher in question from the District Local Board, -- Dharwar to the Savanur State made in the year 1908. A copy of the Accountant General's No. L.71-2293 dated the 14th -- October 1914 is enclosed."

With reference to this office No 5072 dated 22nd ultimo, I have the honour to inform you that the Commissioner Southern Division has in his No 3352 dated 27th July 1915 revised the pay of Mr. D. R. Betgeri, and fixed it at Rs50/- with effect from 7th January 1915, and has also granted him furlough for three months in continuation of his privilege leave.

Letter No. Pen-Con-D-1400, dated 10th July 1915, from the Accountant General, Bombay, to the Collector and Politi--cal Agent, Dharwar.

Service leave

"With reference to the correspondence ending with your endorsement No.3589 dated the 27th of May 1915 forwarding a letter dated 22-5-1915 from Mr. D. R. Betigeri, Chitnis to the Nawab of Savanur (on leave) I have the honour to forward herewith an extract of para 2 of letter No.265 dated 6-4-15 from the Diwan of Savanur and this office letter No.Pen-Con--D-215 dated 21-4-1915 to the Diwan and to request that the necessary orders of the Commissioner, S.D. to the revision of pay of Mr. Betigeri with effect from 7th January 1915 may be obtained at an early date.

2. During privilege leave Mr. Betigeri is entitled to pay that will be refixed by the Commissioner from 7th January 1915. The Government share of his privilege leave allowance is Rs.15-1-9 per mensem. The authorities of the Savanur - State may therefore be requested to prefer a bill for ---- Rs.45-5-3 on account of the Government share of the leave allowance at Rs.15-1-9 from 1-2-1915 to 30-4-1915 and -- present it at the Dharwar Treasury for payment quoting the No. and date of this letter as authority for the same.

Bill already preferred.

3. From para 2 of Mr. Betigeri's letter received with your endorsement under reference, it appears that he was granted furlough for 3 months by the Nawab of Savanur without a previous report from this office and the sanction of the Commissioner (Article 780 (c) of the Civil Service Regula--tions (New Foreign Service Rules). The furlough for 3 months was however due to Mr. Betigeri on the 1st May 1915 and could be combined with the privilege leave for 3 months already enjoyed by him (Articles 233 (iv) and 338 of the Civil Service Regulations). The authorities of the Savanur State may, therefore, be requested to forward his application for furlough to the Commissioner for sanction at an early

date.

date.

4. As Mr. Betigeri is subject to the New Foreign Service Rules he will be entitled to allowances during furlough at Rs.17-8-0 per mensem being half his assumed pay of Rs.35/- per mensem (Articles 340 (b) and (c) and 766 of the Civil Service Regulations (New Foreign Service Rules). As the Savanur State has paid contribution for pension only under the old Foreign Service Rules for the period from 7-11-1912 to 30-6-1914 it is liable to bear a share of the furlough allowance according to the rule of proportions (Article 779 (b) of the Civil Service Regulations (old Foreign Service Rules). The shares payable by the British Governent and the State will be communicated on receipt of the sanction of the Commissioner, Southern Division to the grant of the leave.

5. The Savanur State is liable to pay pension and leave contribution on behalf of Mr. Betigeri at the usual rate of Rs.8-12-0 per mensem during privilege leave only (Article 765 (b) of the Civil Service Regulations (New Foreign Service Rules). No contribution is required during furlough."

Respected Sir,

In continuation of my application dated 21st August last, praying for payment to me a sum of Rs. 13-0-5, due to me from the Savanur State on account of the arrears of pension contribution, I most respectfully beg to state that the said sum is made up as follows:-

(a) Pension contribution at the rate of Rs. 4-6-0 ($\frac{1}{8}$ of my assumed pay of Rs. 35/-) was credited till the end of January 1915, but owing to my being brought under the new Foreign Rules with effect from 1st July 1914, the Accountant General, Bombay, ordered (in his No. Pen. Con. D/4111 of 17-2-1915, forwarded to me by the Divan of Savanur under his No. 209 of 12-3-1915) that the pension contribution should be paid at the rate of Rs. 8-12-0 per mensem ($\frac{1}{4}$ of my assumed pay of Rs. 35/-) from that date (i.e., 1st July 1914). Accordingly a sum of Rs. 30-10-0 at the rate of Rs. 4-6-0 (difference between Rs. 8-12-0 and 4-6-0) from 1st July 1914 to 31st January 1915 had to be credited to Government, but only Rs. 26-5-7 has been credited at the Shiggaon Sub-Treasury on the 29th March 1915 by the Divan of Savanur as I was on privilege leave then (vide his No. 262 of 6th April 1915 to me). The deficit amount of Rs. 4-4-5 (Rs. 30-10-0 minus 26-5-7) is to be paid by the State.

(b) A sum of Rs. 26-4-0 had to be credited at the rate of Rs. 8-12-0 per mensem for the months of February, March and April 1915, but it is found that only Rs. 17-8 has been credited, hence the difference - Rs. 8-12-0 - is to be paid by the State. The reason for this is that Rs. 8-12-0 has been credited for the month of April 1915 but for the months of February and March a sum of Rs. 8-12-0 only has been credited at the old rate of Rs.

4-6-0 instead of Rs. 8-12-0 per mensem as ordered by the Accountant General, Bombay. Hence the difference of Rs. 8-12-0.

(c) A reference to the chalans filed in the State -- Treasury office will make the matter clear beyond doubt.

2. Thus, a sum of Rs. 13-0-5 (Rs. 4-4-5 plus Rs. 8-12-0 as shown in (a) & (b) above) was in arrears on account of my pension contribution at the time of my reversion to the British service in August last. I was ordered by the Accountant General to credit this sum and I have done so on the 3rd of September last. I am duly entitled to -- receive the said sum from the Savanur State and hence I have applied for it.

3. I pray that the said sum of Rs. 13-0-5 may kindly be sent to me by money order as soon as possible.

4. For this act of kindness, I shall, as in duty -- bound, ever pray.

I beg to remain,

Sanction

Procedure for Payment of Contribution.

773. A copy of the orders sanctioning an Officer's transfer to foreign service must always be communicated to the Account Officer (referred to in Article 774) by the authority by whom the transfer is sanctioned. The Officer himself should, without delay, communicate a copy to the Officer who audits his pay, and take his instructions as to the Officer to whom he is to account for the contribution; report to the latter Officer the time and date of all transfers of charge to which he is a party when proceeding on, while in, and on return from foreign service; and furnish from time to time particulars regarding his salary in foreign service, leave taken by him, his postal address and any other information which that Officer may require.

774. (*a*) In the case of foreign service out of India the "Account Officer" is the Comptroller India Treasuries.

(*b*) In the case of foreign service in India—

(*1*) If salary in foreign service is paid from a Government treasury, and is subject to audit by an audit Officer of Government, the Account Office is such Audit Officer;

(*2*) Otherwise, the Account Officer is the Accountant-General of the Province in which the Municipality, Port Trust or other body concerned is situated, or in the case of service under a Native State, the Accountant-General of the Government under whose administration the state is.

775. Ordinarily contribution is payable directly to Government by the transferred Officer himself. Government does not enter into arrangement with foreign employers or make direct demands upon them. Exceptions to this rule are:—

(*a*) Case in which Officers are lent to His Majesty's Government or to British Colonies, Protectorates, &c., and in which the contribution is payable by the borrowing Government [*See* Article 772 (b) (i)].

(*b*) Cases in which salary is payable at a Government Treasury under the orders of the Accountant-General, and contribution is deducted from salary;

(*c*) Cases of members of clerical Establishments in foreign service of the second kind, in which responsibility for payment of contributions and compliance with the rules rests with the Officer who controls the Fund or administers the Trust;

(*d*) Cases in which, by special order or arrangement, contribution is recovered collectively on account of several Officers employed under one foreign employer through an agent or officer who represents the employer.

776. Not later than 15 days after the end of each quarter for which salary in foreign service is earned, the Officer, must remit in such manner as may be arranged with the Account Officer, the contribution payable by him for the quarter.

In any case in which contribution falls into arrear, the Account Officer should bring the fact to the Officer's notice and claim interest at the rate of 4 pies a day per 100 rupees upon the amount due, from the date of expiry of the 15 days to the date on which contribution is paid up.

If any amount due, including interest, is not paid within 12 months of its accrual, the Account Officer should intimate to the Officer the amount due upto date, and inform him that in consequence of the default he has forfeited

his claim to pension or pension and leave allowance, as the case may be. In order to revive his claim the Officer must at once pay the amount due and represent his case to the Local Government who will deal finally with it.

Rules Regarding Leave, and the Grant of Leave.

777. An Officer holding an appointment in foreign service in India may not take leave or obtain leave allowances from Government unless he actually quits duty and proceeds on leave.

778. An Officer on foreign service in India may not be granted leave otherwise than in accordance with the rules of the Government service to which he belongs. If such leave is granted to an Officer the Account Officer shall on the fact coming to his notice require the leave so granted to be commuted to the leave for which the Officer is eligible under rule, and call upon him to refund any allowances in excess of the amount admissible. The Officer himself is personally responsible for the observance of the rule contained in this Article; by accepting leave to which he is not entitled under the rules he renders himself liable to refund, allowances irregularly drawn, and in the event of his refusing to refund, to forfeit his previous service under Government, and to cease to have any claim on Government in respect of either pension or leave allowances.

779. An Officer in foreign service *of the first kind* in India draws leave allowances calculated on assumed pay, save that in the case of privilege leave he is entitled to his actual pay in foreign service, the difference between such pay and assumed pay being paid by the foreign employer. In the case of foreign service *of the second kind* all leave allowances are calculated on actual sanctioned salary and paid in full by Government.

780. (*a*) Privilege leave which is certified by the Account Officer (Article 774) to be admissible may, when taken by itself, be granted to an Officer in foreign service in India by his employer.

(*b*) Leave other than privilege leave taken by itself, may, in cases where the transfer has been sanctioned by the Government of India or a Local Government, be granted to an Officer in foreign service in India by the Local Government under whom he was serving before his transfer; in other cases it may be granted by the authority who sanctioned the transfer.

(*c*) An Officer who is in foreign service in India should submit all applications for leave, other than privilege leave taken by itself, with the report of the Account Officer, through his employer to the authority competent to sanction the leave.

781. To an Officer who is in foreign service out of India leave in respect of his foreign service may, unless special arrangements as to leave have been made on his behalf by the Government of India or the Secretary of State, be granted by his employer on such conditions as to leave and absentee allowances as the employer may determine. The Officer should make himself acquainted with the rules or arrangements which are to regulate his leave before accepting foreign employment, and the Account Officer will be responsible for obtaining from him at the time of transfer a declaration showing that he has read and understood this rule. Time spent by the Officer in foreign service out of India, though not constituting an interruption of service for leave under the Civil Service Regulations, does not count for such leave. Leave earned in respect of service under Government before transfer cannot ordinarily be granted to such an Officer so long as he continues to be on foreign service.

Date from and to which contribution is payable.

758. When an Officer is transferred to foreign service he draws salary from his foreign employer, and contribution is paid to Government, either by or for him, from the date on which he relinquishes charge of his appointment under Government. An Officer reverting to duty under Government ceases to draw pay from the foreign employer, and contribution is discontinued, from the date on which he resumes charge of his appointment under Government.

I most humbly beg to bring to your kind notice the following with a sanguine hope that you will be pleased to take such action as may be deemed necessary.

2. I was on privilege leave for six months from 11th November 1919, sanctioned by you and on expiry of the same I joined my appointment in the Civil Hospital, Alibag, in accordance with your order No.B-2304, dated 6th May 1920, on 11th May 1920.

3. I have received my pay from Savnur State upto 11th November 1919, and since then I have not received my pay upto 11th May 1920, although I have already submitted by bills to the Nawab of Savnur State through your office. I have also requested the State Authorities to furnish me with my last pay certificate to enable me to draw my pay here, butthe same has not yet been received.

Instead

4. As I have not received my pay for the last six months I have to suffer great hardship in these hard days in as much as I cannot draw my pay moreover even for the period since I have been attached to this Hospital for want of my last pay certificate.

5. Under the circumstances I request that you will kindly do the needful and relieve me of my greatest want - Pay and for this act of kindness I shall feel ever grateful.

2. It is desirable in these hard days that Government servants are not put to hardship in respect of their get--ting pay within a reasonable time. In the present case the applicant has not drawn any pay since last six months and

and this is really a great difficulty to him in as much as he is unable on account of leave and transfer to secure any practice to make both ends meet.

3. Under the circumstances it is requested to decide the question whether the Government or the Savnur State will have to bear the cost of the applicant's pay for the period of his absence on leave which expired on 10th May 1920.

It seems that the bills have not been paid yet and it is not understood why this is not done. The Sub--Assistant Surgeon is greatly inconvenienced as he has not got his pay for six months. He cannot also draw his pay from the Government Treasury unless the State provides him with a last pay certificate. If the State has to make a representation as to who should bear the charges on account of the Sub-Assistant Surgeon's leave allowances, it may be done separately.
